

Ovine / Lamb Weasand Clips

Lamb Clip

Lamb Clip Cartridge

Loose Clips

The Adept Lamb Clip is the most reliable and cost-effective solution to control ingesta during cattle processing. Adept Weasand Clips are recognised as the international industry standard for ingesta control.

- Closes to form a secure seal around the weasand (oesophagus), preventing leakage
- The weasand (oesophagus) is cleared of contents during application
- Fast and easy to apply
- Proven to reduce contamination
- FDA and EU food contact approved
- Industry best practice
